Commissioner for Patents
Office of Initial Patent Examination
Customer Service Center
Washington, D.C. 20231

Sir:

There is an error on the updated filing receipt that was issued for this application in that the filing date has been changed, as indicated in red on the accompanying copy. This application was filed on March 15, 2001, as indicated on the return postcard (copy enclosed) as well as on the original filing receipt. There was absolutely no basis for changing the date previously recorded. Please amend the records of the Patent and Trademark Office to reflect that the filing date of this application is March 15, 2001 and issue a second updated filing receipt.

Respectfully submitted,
